

## **Disability Action Plan 2019-2022: feedback workshop**

**Location: Papanui RSA, 55 Bellvue Avenue, Papanui, Christchurch**

**Date and Time: 26 Nov 2018, 2:30pm – 4:00pm**

The Office for Disability Issues and the Disabled Peoples' Organisations Coalition are holding feedback events to hear the community's ideas about what should be in the new Disability Action Plan (DAP) 2019-2022. These workshops are the first in a series to be held around the country.

The DAP is important as it is the government's commitment to actions to implement the New Zealand Disability Strategy (2016-2026). This work builds on meetings held in 2018 by Hon Carmel Sepuloni, Minister for Disability Issues, to gather ideas from disabled people in Whangarei, New Plymouth, Tauranga, Invercargill, Rotorua and Hamilton.

The feedback workshops will be held around New Zealand from November until February. We will try and keep each workshop to one and a half hours long and most of the time will be spent listening to the community's views. Full details about workshop dates and times will be available on the [www.odi.govt.nz](http://www.odi.govt.nz) website.

People who can't make the meetings may wish to provide us with their views online or text us for a phone call or video interpreted conversation.

The meeting will brief attendees about the 2014-2018 Action Plan and listen to ideas about what should be in the 2019-2022 Action Plan. Light refreshments will be provided.

Please RSVP to [ODI@msd.govt.nz](mailto:ODI@msd.govt.nz) subject: DAP Workshop or Text/SMS: 029 495 0010. The workshops will be accessible with NZ Sign Language interpreters and hearing loops available.

**Please pass this invitation to anyone in your network who may be interested in attending.**
